Pass/No Credit Option

Bethlehem Academy students will have the opportunity to receive Pass/No-Credit grades for classes for 2nd semester of the 2019-2020 school year. The opportunity to choose a letter grade or pass/no credit for a particular course will be given after final grades have been calculated. Students will be allowed to receive Pass/No-Credit in **two (2)** of their core courses (English, Mathematics, Social Studies, Science and Religion) for the semester. Students will be allowed to receive Pass/No-Credit in **one (1)** of their elective courses for the semester.

Things to Consider:

- 1) Students **will not** be allowed to receive pass/no credit grades in any AP course.
- 2) Students will not be allowed to receive Pass/No-Credit grades in any CIS course for their Bethlehem Academy grade. Students may receive Satisfactory/No Credit for their college through University of Minnesota Satisfactory/No Credit and need to complete the University's request form.
- 3) Students must receive **60%** or higher in a particular course in order to receive a Pass grade. Likewise, students that receive lower than **60%** in a particular course will receive a No-Credit grade.
- 4) A credit toward graduation will be granted for a Pass mark. No credit toward graduation will be granted for a No-Credit mark; credit recovery may be necessary if required for graduation.
- 5) Pass/No-Credit grades **will not** be included into GPA.
- 6) The NCAA does not recognize courses taken on the Pass/No-Credit basis.

Disclaimer: It is unclear as to how colleges and universities in the U.S. will view Pass/No-Credit marks on a high school transcript. Students and parents should consider how taking Pass/No Credit for certain courses will affect college applications.
